Entertainment

Description

Aboard a fleet of vessels that have cruised the Toronto Harbour for more than a quarter of a century, Toronto Harbour Tours converts landlocked guests into sightseeing day-sailors during scenic one-hour voyages. A licensed captain and crew colours each trip with informative narratives, casting entertaining facts into open ears while pointing out a continuous deluge of ping landmarks along the route. As tours drift by thriving parklands and across tranquil lagoons, Toronto's skyline glides into view to present pengers with unique opportunities to photograph the Skydome and the CN Tower's rippling Superman cape.
